	This is UNEVALUATED Information	25X1
1.	Between 1400 and 1600 on 23 October 1954, the barracks installation at Kagran was occupied to capacity except for the AAA section. Soldiers wearing red-bordered black epaulets with artillery, tank and motor transport insignia and without insignia were observed. Many officers, including two lieutenant colonels wearing red-bordered black epaulets with artillery insignia and tank insignia respectively, were seen between the kaserne and the officers quarters on Steigentesch Gasse.  Vehicular traffic included trucks	25
